

CONGRATULATIONS, NEW RECRUIT! Color in your very own **NORTH POLE NINJA** mask, then cut along the dashed black lines. Use a hole punch to create a hole over the black dots in the ears; then, pull a piece of yarn through each hole. On each side of the front of the mask, knot the yarn close to the end. Make sure the knots are big enough to keep the yarn from slipping through. Finally, have an adult use the loose ends of the yarn to tie the mask securely around your head, and you'll be ready to get started on your top-secret missions!
