PENGUIN PAPERBACK • 120 PP. • 978-0-14-315498-8 • $13.00

TAYLOR MALI
Real Talk for Real Teachers
Advice for Teachers from Rookies to Veterans: ‘No Retreat, No Surrender!’

A perfect antidote for teachers demoralized by bureaucratic interference and the test-obsessed culture of the school system, Real Talk for Real Teachers offers new ways to transform the experience of teaching.

PENGUIN PAPERBACK • 978-0-14-312561-7 • $16.00

RAFE ESQUITH
Teach Like Your Hair’s on Fire
Advice for Teachers from Rookies to Veterans: ‘No Retreat, No Surrender!’

A perfect antidote for teachers demoralized by bureaucratic interference and the test-obsessed culture of the school system, Teach Like Your Hair’s on Fire offers new ways to transform the experience of teaching.

PENGUIN PAPERBACK • 978-0-14-311853-8 • $13.00
JORDAN ELLENBERG
The Power of Mathematical Thinking

Ellenberg interweaves entertaining anecdotes and illustrative applications to illuminate the core ideas of mathematics and demonstrate their relevance to social issues. He explores the mathematics underlying financial markets, peer review, sports, and even the workings of the human brain. 272 pages • 978-0-691-15684-8 • $27.95

HILARY KAMINSKY
The Half-Life of Facts

As a consequence of the accelerating rate of knowledge, a growing number of people are concerned about the reliability of the information we see in our daily lives. The author shows how the half-life of facts is now weeks—or even days—and argues for the imperative to critically question received wisdom. 240 pages • 978-0-691-16388-8 • $25.95

KATE CHARRON
Girls and Sex: Growing Up Feminist in an Age of Outrage

Charron presents a clear, incisive examination of the role girls play in shaping our culture and politics, and explains the importance of girls’ self-awareness and the struggle to dismantle male-dominated systems of power. 368 pages • 978-0-393-35338-7 • $27.95

EMMA STRACHAN
Parents and the Profits of the Paralyzed

In her new book, Strachan exposes the story of innumerable “paralyzed” children who are not actually paralyzed but instead suffer from a condition called Cerebral Palsy. She shows how these children have become a business opportunity that is ripe for exploitation. 368 pages • 978-0-8070-7872-6 • $25.95

VICTORIA AHRENS
The Social Consequence of Racial Discrimination

Ahrens offers a comprehensive, data-driven look at the effects of racial discrimination on health and social outcomes, from education to income, that points to a stark reality: racism is a public health crisis that leads to poor health and adverse health-related behaviors. 288 pages • 978-0-393-35495-1 • $27.95
