TRANSLATED WITH AN INTRODUCTION & NOTES BY THOMAS HABINEK

PENGUIN CLASSICS PAPERBACK • 240 PP. • 978-0-14-045556-4 • $16.00

Available May 2014

---

On Living and Dying Well stands as the seminal work on the art of living. Cicero's reflections on wisdom, the fear of death, and the condition of the soul are some of the most profound and moving on these subjects ever written. According to Cicero, wisdom is the key to a fulfilling old age. And On Living and Dying Well provides the way to achieve it: learn how to die and you will understand how to live.

This compelling new translation captures the exquisite patina of Cicero's Latin, the eloquence of his prose, and the wit and wisdom of his arguments. This new edition includes a biographical study of Cicero, an introduction to his political career, and a chronology of his life.
