New! ARE YOU HAPPY?  
A Childhood Remembered  
Emily Fox Gordon  
An evocation of a peculiar and paradoxical kind of happiness—the happiness of an unhappy child. Gordon was fat, an academic failure, a schoolyard pariah, a disappointment to her highly educated parents. And yet her early life was, as she puts it, “a succession of moments of radiant apprehension.” “A mordantly witty writer.”—Booklist.

IN THEIR OWN WAY
Discovering and Encouraging Your Child's Multiple Intelligences
Revised and Updated
Thomas Armstrong
Shatters the conventional wisdom that brands our students as “underachievers,” “unmotivated,” or as suffering from “learning disabilities,” “attention deficit hyperactivity disorder,” or other “learning diseases.” Armstrong explains how these flawed labels often overlook students who are in possession of a distinctive combination of multiple intelligences, and demonstrates how to help them acquire knowledge and skills according to their sometimes extraordinary aptitudes.

INTERESTED? Look through this catalog and note the outstanding books at low prices that have made Penguin Group (USA) the first choice of educators who use paperbacks. Then fill out the questionnaire below and send it to us. The questionnaire is also available at www.penguin.com/academic

YES, I am an assistant, associate, adjunct, or full professor and want to take part in PENGUIN GROUP (USA)’s College Faculty Information Service as described in this catalog. I’ll expect to communicate with a PENGUIN GROUP (USA) College Representative within four to six weeks of my sending in this questionnaire. Also, I participate in decision making and agree that the purpose of requesting any examination copies will be to consider them for adoption in the courses I teach.
