**HOW THE PROGRAM WILL HELP YOU**

Through CFIS, you’ll receive information on new and forthcoming books of interest to you and free exam copies for possible course adoption. Our representative will be glad to review Penguin Group (USA)’s extensive backlist—an invaluable aid in developing new courses, and answer any questions about our titles that you may have. We’re available to discuss not only current titles but your ideas on books that you’d like to see Penguin publish. We value your suggestions—they assist us in acquiring books that are most relevant to you as educators.

**INTERESTED?**
