

CIRCLE THE NIGHT ANIMAL!

Nocturnal animals are animals that are most active at night. Can you circle the animals below that are nocturnal?

DRAW YOUR FAVORITE NIGHT ANIMAL!

In Gianna Marino's *Night Animals*, we are introduced to some pretty scary (and scared!) animals.
Can you draw your favorite night animal?

FILL IN THE SPEECH BUBBLES!

These animals are having a conversation about something...what do you think they are talking about? Fill in their speech bubbles to help create a scene!
