

The illustrator uses speech bubbles to let the reader know who is saying what. Comics use this style too!

Create your own comic strip using the characters from

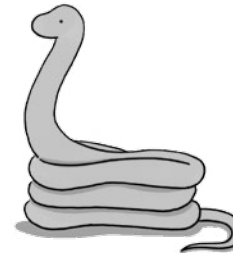

Can Somebody Please Scratch My Back?

Help the elephant find someone to scratch his back!

The elephant encounters a lot of animals while trying to find someone to scratch his back.
Can you match the names of the animals to their pictures?

Snake

Sloth

Rabbit

Hedgehog

Meerkats

Crocodile

Hippopotamus
