PRINCESS POSEY AND HER FRIENDS LOVE TO  
PLAY THE IMPOSSIBLE GAME.

Fill in each blank with the correct word to find  
out what is impossible to do!

It's impossible...

to count all the \_\_\_\_\_ on your head.

to count all the \_\_\_\_\_ in the sky.

to \_\_\_\_\_ if you are dead.

to \_\_\_\_\_ so high you can touch the moon.

for a \_\_\_\_\_ to have a boring vacation.

## MAKE YOUR OWN PRINCESS WAND!

All you need is aluminum foil, a piece of cardboard, a pair of scissors, and a stick about the size of a pencil.

1. Tear off a piece of foil that's three inches wide.  
Wrap it around your stick.

2. Draw a star on the piece of cardboard and cut it out.

3. Tear off a large piece of foil. Cut it into strips that are about a half inch wide.

4. Put the top of your stick in the middle of the star.  
Wrap the foil strips around the points of the star  
and then around the stick until the star is secure.

5. Wrap your star in another piece  
of foil to cover all of the strips.

Decorate your wand with sparkly glue, stickers, or ribbons, if you want. My wand goes WHOOSH! What sound does yours make?
