Elizabeth Brown Pryor
SIX ENCOUNTERS WITH LINCOLN
A President Confronts Democracy and Its Demons
“Daring, provocative, and exceptionally important... Convincingly challenges many of the assumptions on which Abraham Lincoln’s greatness are based. [Pryor] examines Lincoln’s often startling behavior in heretofore little-known but highly revealing encounters, and from them she expertly weaves a larger narrative of his fitful progress as the beleaguered leader of a nation at war. The research is truly prodigious, the writing graceful and assured. I highly recommend Six Encounters with Lincoln.”—Peter Cozzens, author of The Earth Is Weeping: The Indian Wars for the American West.

The Supreme Court, American Eugenics, and the Sterilization of Carrie Buck
Adam Cohen

“The story of an assault upon thousands of defenseless people seen through the lens of a young woman, Carrie Buck, locked away in a Virginia state asylum. In meticulously tracing her ordeal, Cohen provides a superb history of eugenics in America, from its beginnings as an offshoot of social Darwinism—human survival of the fittest—to its rise as a popular movement.”—David Oshinsky, The New York Times Book Review (cover review).

America Today: At Home and In the World

Patrick Allitt

A CLIMATE OF CRISIS
America in the Age of Environmentalism
“A book that deserves widespread readership and course adoption….Allitt’s wide-gauge historical approach is a valuable complement to the many scientific and policy critiques that have piled up over the years.”—The Weekly Standard.

Ronan Farrow
PANDORA’S BOX: How American Military Aid Creates America’s Enemies

Farrow was a U.S. diplomat in 2010 when he discovered that the Pakistani army was executing prisoners indiscriminately, some of them only children, in areas where the army was conducting joint missions with the American military. Here, Farrow offers a geopolitical analysis of the stresses and contradictions of America’s national security policies in the Age of Terror as we have stumbled into the arms of rogue’s gallery around the world who have violated our values and done our long-term interests incalculable damage.

DEMOCRACY IN CHAINS
The Deep History of the Radical Right’s Stealth Plan for America
Based on ten years of research and unique access to archives, Democracy in Chains is the largely unknown backstory of the radical right’s political agenda, a seven-decades-long strategy pinned to the expressed belief that freedom can survive only if the rule of the majority ends.

◆ **HITLER’S FORGOTTEN CHILDREN**

A True Story of the Lebensborn Program and One Woman’s Search for Her Real Identity

Created by Heinrich Himmler, the Lebensborn program abducted as many as half a million children from across Europe. Through a process called Germanization, they were to become the next generation of the Aryan master race in the second phase of the Final Solution. In this devastating memoir, Ingrid von Oelhafen, who unearthed rare documents including Nuremberg trial testimony about her own abduction, investigates the awful crimes and monstrous scope of the Lebensborn program.

THE INVENTION OF RUSSIA
From Gorbachev’s Freedom to Putin’s War
“Fast-paced and excellently written…. A first class journalist who has spent many years covering Russia for The Financial Times and The Economist, [Ostrovsky] is also a native of the Soviet Union, with an instinctive understanding of how politics, ideas and daily life really work there…. Putin has forced the world to reckon with a surly and combative Russia again. Ostrovsky provides a much needed, dispassionate and eminently readable explanation of how it happened.”—The New York Times.

story of King David—makes a masterly case for 
the generative power of retelling...some 
of the magic here has to do with setting and 
time—for sensory dramatics, it’s hard to 
compete with the Iron Age Middle East... 
but Brooks’s real accomplishment is that she

British-born Jews of the upper-middle class with 
great, sympathetic perspicacity and sweetness—
these are after all his grandparents who 
are his subject—and, most revelingly, he traces 
with precision the effect on their lives of being 
Jews of German origin in their beloved England 
during the two world wars.”—Philip Roth.

◆ THE STORIED CITY
The Quest for Timbuktu and the Fantastic Mission to Save Its Past
Relying on extensive research and firsthand reporting, English twines together two tales of a city: the historical race to "discover" one of the world’s most mythologized places, and how in 2012 a band of archivists and librarians fought to save its ancient manuscripts from destruction at the hands of al Qaeda. “English deftly weaves together history, reportage, travelogue and memoir into a gentle, erudite and at times beautiful book.” —Robert Macfarlane, author of The Old Ways.

THE UPSIDE OF INEQUALITY: How Good Intentions Undermine the Middle Class

“A must-read for serious students of economic policy. Conard’s core thesis—that advancement in living standards is constrained by risk capital and properly trained talent—suggests an inequality borne of returns from innovation. His solutions are sensible and all the more compelling in the context of this paean to risk-taking.” —Glenn Hubbard, dean of Columbia Business School.

JFK AND THE REagan REVOLUTION
A Secret History of American Prosperity

Kudlow and Domitrovic argue that the solutions needed to solve the long economic stagnation of the early twenty-first century are once again the free-market principles of limited government, low tax rates, and a strong dollar, pioneered by JFK and followed by Reagan. “An essential history that will hopefully remind readers of all stripes that low taxes and sound money are good for freedom and prosperity, and happily are the property of both major political parties.” —Forbes.com.

New in the
Penguin History of the United States

Pulitzer Prize–winning historian Steven Hahn takes on the conventional histories of the nineteenth century and offers a perspective that promises to be as enduring as it is controversial.

“A massive and masterly account of America’s political and economic transformation between 1830 and 1910…A triumph, nothing less.”

—David Oshinsky, The Washington Post

Penguin Publishing Group offers course adoption assistance as near as your phone or computer. Over the past few years, the College Faculty Information Service has grown to cover a wide range of fine titles from all Penguin Publishing Group imprints in a continuing effort to offer personalized service to college professors and enhance information provided by our college reps in the field.

**HOW THE SERVICE WORKS**

Any assistant, associate, adjunct, or full professor who teaches in the United States and regularly adopts paperbacks is invited to join the Penguin College Faculty Information Service. Simply complete and return the questionnaire on the next page, and we’ll send you catalogs relevant to your courses and ordering information. Thereafter, you can contact us anytime to discuss appropriate titles and free exam copy choices.

**HOW THE PROGRAM WILL HELP YOU**

Through CFIS, you’ll receive information on new and forthcoming books of interest to you and free exam copies for possible course adoption. Our representative will be glad to review Penguin’s extensive backlist—an invaluable aid in developing new courses—and answer any questions about our titles that you may have. We’re available to discuss not only current titles but your ideas on books that you’d like to see Penguin publish. We value your suggestions—they assist us in acquiring books that are most relevant to you as educators.

**INTERESTED?**

Look through this catalog and note the outstanding books and low prices that have made Penguin the first choice of educators. Then fill out the questionnaire and send it to us. The questionnaire is also available on our website:

**www.penguin.com/facinfo**

It’s the first step to a collaborative process that will help you select the best books (at the best prices) for your courses.
Penguin Publishing Group
College Faculty Information Service Questionnaire

Yes, I am an assistant, associate, adjunct, or full professor in a U.S. university or college and want to take part in Penguin Publishing Group's College Faculty Information Service. I participate in decision making and agree that the purpose of requesting examination copies is to consider them for adoption in the courses I teach.

To any and all who want to understand, and understand deeply, our present age of brutal inequality, here is a

Sweeping, panoramic history....Splendid....Fine scholarship.

Impressive and richly documented.

“Transnational history at its finest...Social, political and cultural themes swirl together in one great canvas of immense detail and beauty.”

Magisterial,...Breathtaking social history and dazzling cultural analysis at its best.”

“Isenberg reveals a dark and tangled American secret at the core of our history: the pervasive persistence of white poverty...in a supposed land of equal and abundant opportunity...She exposes harsh realities long kept hidden in plain sight.”
