RECIPE FOR
DAD TREATS

PET DAD
by Elanna Allen

+ INGREDIENTS +

3 cups all-purpose flour
1/2 tsp salt
1 tsp baking powder
1 cup butter unsalted, room temperature
1 1/2 cups sugar
2 eggs
2 tsp vanilla extract
2/3 cup cocoa powder, unsweetened

INSTRUCTIONS:

+ In a bowl whisk together the flour, salt and baking powder. Set aside.

+ In the bowl of your mixer, add the rest of the ingredients and mix until smooth, I mixed mine about 3 minutes. Add the flour mixture in batches about 1/3 at a time and mix.

+ Transfer the dough to a big piece of plastic wrap and gently knead it until it forms a ball. Wrap the cookie dough and refrigerate for at least an hour.

+ Preheat your oven to 350 degrees. Line a couple baking sheets with parchment paper and cut dogbone shaped cookies from the dough.

+ Place the cookies onto the prepared baking sheet and bake for about 9 to 11 minutes, just until the edges are firm and the center still slightly soft. Repeat with remaining dough.

+ Transfer to a rack and cool. If you wish you can sprinkle them with icing sugar. Feed them to your pet and enjoy!
